Aircraft certification	Fireplace secondary combustion	Pavement compositions
Alarm reporting systems	Flash memory	Pharmaceutical coating machines
Amphibious construction equipment	Floor covering	Pharmaceutical pill processing machines
Antimicrobial agents	Footwear	Photocopiers
Arcuate pipeline drilling	Force platforms	Potato treatment systems
Augmented reality systems	Game console systems	Presentation control systems
Automated ceramic kilns	Game controller and controller interfaces	Printing plate surfactants
Automated cytological scanning	Graphical data entry systems	Restorative drying
Bcl-2 protein inhibitor	Handheld electronic games	Sausage casing ties
Blade servers	Heavy lift equipment	Scrolling mice
Bone densitometers	High-velocity water milling	Semiconductor fabrication equipment
Cardiac pacemakers, defibrillators and catheters	Holography	Shoes & footwear accessories
Casino bonusing systems	Implantable soft-tissue prostheses	Software -- higher level & assembly languages, compiler operation, digital rights management, network simulation, network control, e-commerce, financial & accounting, gaming, cost estimation, device drivers, pattern recognition
Casino computer networks	Industrial cabinetry	Somatic embryogenesis
Cell phone mounts	Industrial comminuting mills	Spectrum analyzers
Cellular telephone interface systems	Industrial power tools	Spinal fixation devices
Chemical genomics	Infant incubators	Sprout inhibitors
Child's car seats	Isometric exercise systems	Subwoofers
Compressed gas fuel systems	Jet turbine blades	Surgical tourniquet cuffs
Computer access limitation systems	Jewelry constructions	Synthetic chemistry
Computer input devices	Joystick interfaces	Synthetic wine closures
Concrete molds	languages, compiler operation,	Targeted pharmaceuticals
Contact lens formulations	Lens systems for 3D optics	Time and temperature monitoring
Contact lens preservatives (polyquaternary ammonium salts)	Materials handling devices	Topical germicides
Copier control systems	Micro-electromechanical systems (MEMS)	Topical hair growth formulations
Dental implants	Microphones and speakers	Underfloor electrical systems
Digital video recorders	Microprocessors	Ureteral stents
Digitized tablets	Microwave drying devices	Urologic expansion catheters
Disinfectant solutions	Microwave shielding	Veterinary treatments
Distributed process controllers	Miniature lenses	Video game systems
DRAM	Motion detection	Water heaters
Drywall repair	Mouse interface systems	Water slides
Earthen reinforcement	Network control software	Wireless interfaces
E-commerce systems	Network gaming systems	Wnt β -catenin signaling
Electrical conduit	Neural network software	Wrist rests
Electrochemical copper deposition	Nocturnal penile tumescence monitors	Zeolite molecular sieves
Electrolysis	Online software update systems	
Electronic cigarettes	Onychomycosis treatment	
Electronic gaming devices	Ophthalmic diagnostic equipment	
Electronic wheel balancers	Optical coherence tomography	
Electropneumatic paintball markers	Organic waste processing	
Encrypted e-books	Orthopedic hip & knee prostheses	
Exercise equipment	Oscilloscopes
